## 700 Miast Church Planting in Poland

Celebrating the Success of the 700 Miast Church Planting Movement in Poland! In 2023, the 700 Miast Church Planting movement ignited a wave of new church establishments in Poland resulting in fifteen new churches, six of them just recently launched, both Polish and Ukrainian. We commend the dedication and commitment of the church plant teams that made this possible. Pictured right are the first believers baptized this month at "Heart" Church plant in Jaworzno Poland.

Thank You for supporting church plants!

From their living room, to the streets, to their backyard....new church plant "Tree of Life" church in Bełhatów is now meeting in their own rental space! This exciting church plant is seeing a revival of salvations as a result of their intentional outreach to their city. We rejoice with them! Pray for Pastor Paweł, Daria, their 2 daughters and team as they continue to reach Bełhatów. (Pastor Paweł and Tree of Life Church pictured left.)

A **HUGE Thank you** to the U.S. based churches and individuals who have supported these churches with a \$5000 church plant launch gift!

# Reflections

As we enter a new year and reflect on the past, we are so thankful for the guidance and strength God continues to give. These past two years we deemed as “For Such a Time as This” not only by us but by our entire Europe Region of AGWM. (Assemblies of God World Missions) Thanks to our dedicated financial support team we arrived back in Poland in 2022 just in time to enter into a season of ministry to Ukrainian refugees through both Polish and Ukrainian churches. We are indebted to our Central Europe leadership including Kirk and Amy Priest, Central Europe Area Directors. A shout out for their constant concern and support. (pictured right, Earl with Kirk Priest, AGWM Central Europe Area Director.)

Another “such a time as this” moment was the day we became aware of the 700 Cities training center building crisis. Since then God opened the door for us to partner with Builder’s International in 2023. We have had two teams already Poland and nine scheduled for 2024! Progress continues to be made on the main training hub for church planters.

**Earl & Tammie with Pastor Nikolay & Julia, church planters in Gdansk. Their journey from Ukraine was a miraculous one. They have a missional calling to Poland which resulted in “Revelation International Church” plant in Gdansk, Poland.**

# Prayer Requests

1. Pray for more building teams to come to Poland to work on the training center.
2. Pray for the brave church planters / teams / of new churches launching in 2024.

## Crossroads Christian Church, Morgan Hill CA

We are so thankful for supporting churches like Crossroads Christian Center, Pastors David and Lynn Willis. Their team came to serve and offer powerful ministry events and trainings. They blessed three churches with dynamic women’s ministry events where they showered pastor’s wives and women with love and compassion. At 700 Miast training, Pastors David & Lynn taught church planters on the subjects of leadership and prophetic ministry. The team spent hours praying with church planters. it was truly a wonderful time.

**He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love.**

# Teams 2023

In addition to the Builder’s International crews, we had three teams come to bless Polish and Ukrainian churches. Each team accomplished this in their own unique ways. We do this **TOGETHER!**

## Christ Church, Grove Farm PA

BIG thank you Pastors Craig and Dan for bringing their team to Poland. They served at “Church for Warsaw” Youth Bible Study and taught ESL at a public school in Olesno representing Kanaan Church.

## Erie First Assembly, Erie PA

In Poland there is a great need to support Ukrainian churches and ministries. This team came armed and ready with amazingly prepared kids events for Word of Faith Ukrainian Church, a local orphanage, and LIFE Center as well as renovations at one of the church campuses. Thank you Aaron Harkness for bringing and leading this team.
